Principal Jeff Ellersick

We are very proud of the Class of 2019 and their accomplishments at school and in the community. The students who have met the Ellensburg School District graduation requirements deserve our praise for their hard work and achievements.

These students leave EHS prepared for life's opportunities. Whether a graduate chooses to attend a four-year university, community college, technical school or join the military, the students will succeed because they, with the support of the adults around them, are committed to education and their future.

Congratulations Class of 2019. Go Bulldogs!

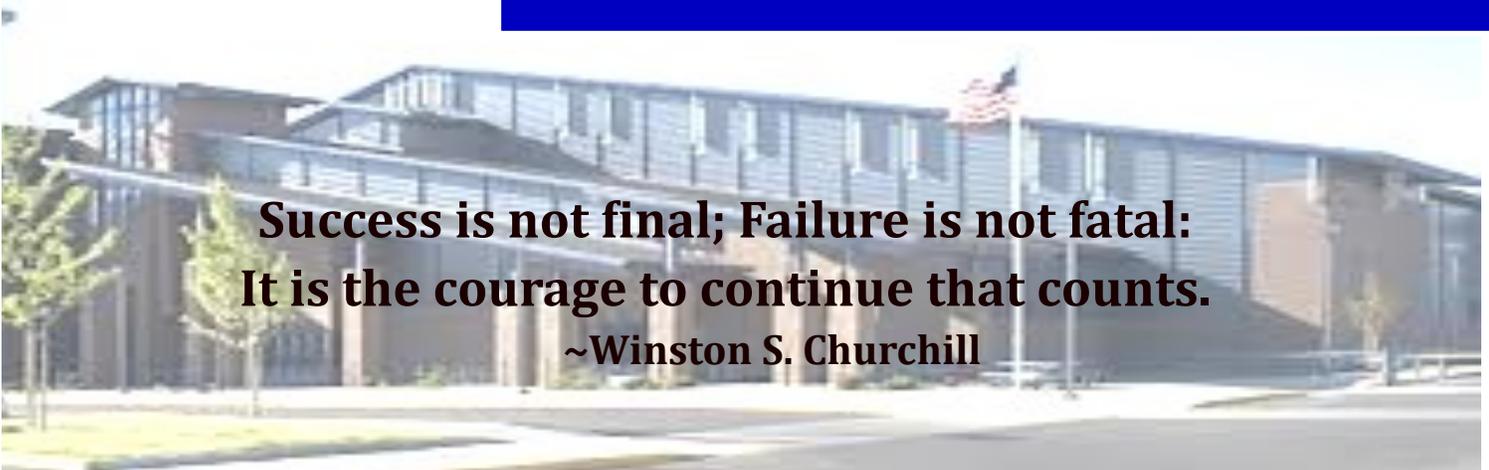

Superintendent Jinger Haberer

To the ESD 2019 graduating seniors, I share one of my favorite proverbs and the following advice:

"A Cheerful Heart has a Continual Feast."

1. Assume positive intent in others
2. Maintain an attitude of gratitude daily
3. Build and embrace relationships with folks who may be different from you.

It has truly been a privilege to serve the students, parents and staff in ESD this year. I hope that everyone has a successful end of the year and enjoyable summer.

**Success is not final; Failure is not fatal:
It is the courage to continue that counts.**
