

## Bulldog Booster Club

The Bulldog Booster Club of Ellensburg would like to invite you to become a member or *renew* your yearly membership and help support the many activities and projects we fund for the students of EHS. Our club supports all athletics, cheer and pep band, and we work hard to enrich and enhance these activities with funding and volunteer time. In addition, we organize Athlete of the Quarter, ticket taking volunteers for each season, presentation of senior scholarships, and many other activities to support EHS students.

**This year we are setting our goal at 100% participation for all families involved in athletics, pep band, and cheer.**

If your student is involved in one of these activities or sports, we are asking you to support Booster Club once a year at a level comfortable to you.

Through countless volunteer hours, we strive to make the activities at EHS more meaningful for every student who participates. Our funding is raised through memberships from businesses, families of EHS students, EHS alumni, and community members.

**We hope you will join us and become a member or renew your yearly membership of the EHS Bulldog Booster Club.**

✂-Please detach and mail with payment to Bulldog Booster Club, P.O. Box 756, Ellensburg, 98926 -✂
