GENERAL ACADEMIC INFORMATION

Freshmen/Sophomores:
1. All freshmen and sophomores must take six classes. Freshmen classes should include: an English class, the math class recommended for the student, as agreed upon by your math teacher and the EHS math department, and science.

2. The math placements are based on the following factors:
   • Eighth grade teacher's recommendation
   • Last two math grades
   • HSPE and MSP scores
   If the student or the parents feel uncertain about the placement, they should contact the math department.

Class Standings:
Class standings are determined by the number of credits a student earns, not by the number of years he/she has attended. In order that a student be a ninth grader, he/she must have graduated or been promoted from an eighth grade class in a state-accredited school. To be a sophomore, a student must have earned a minimum of five (5) credits in their freshman year. To be registered as a junior, a student must have earned a minimum of ten (10) credits. To be a senior, a student must have earned a minimum of sixteen (16) credits.

Honor Roll:
To be eligible for the honor roll, a student must meet the following criteria:
   • Must have at least 4 letter grades. (Three A’s and one P or S does not qualify.)
   • Must have at least a “B” (3.0) grade point average.
   • Must not have any “D” or “F” grades.
   • Must have no Incompletes.
The honor roll is published at the end of each semester. It is based on the semester grades of all classes.

Off-Campus Teacher Aide:
One-semester course (.5 credit per semester); Prereq: Sophomore standing and able to provide own transportation; parent permission. Students wishing to be an aide at Valley View Elementary must get an application form from the principal prior to contacting staff at Valley View. In the case of all other schools, students must contact the principal at the school prior to contacting staff members.

Schedule Changes:
Schedule changes are made based on a student's post high school planning. Schedule or class changes will be considered on an individual basis during the first three (3) days of first semester and the last 4 days of first semester for second semester class changes. Since you are able to choose your classes, choose carefully, be prepared. If you are not prepared, your academic counselor will schedule your classes for you.

Since you are able to choose your classes, choose carefully and be prepared. If you are not prepared, your academic counselor will schedule your classes for you.

All 9th and 10th grade students must take six classes. If this is not possible, the student will be placed on a shortened school day - this may require a complete schedule change and Principal's approval.

Students dropping a class after the first four weeks of a semester will receive an "F" on his/her transcript. Any exceptions must be appealed through the Principal.

Open Period:
Open periods are only allowed 1st or 6th period during the junior or senior year. The purpose of open period is to provide students with an opportunity to substitute a portion of the regular class time with employment, or an identified personal need. As NO CREDIT is offered for open period, keep in mind that 22 credits is the minimum requirement for graduation. Students must be on schedule to graduate in order to have an open period. The administration and staff at EHS recognizes that some students can benefit from less than a full schedule, but we feel that the release time activity should provide the student with a meaningful learning opportunity.

When a student is granted late arrival (open 1st period) or early release (6th period), it is with the expectation that the student will be away from the Ellensburg High School campus or in the EHS Library doing school work. Students who abuse the privilege of open period will be rescheduled into classes if possible, or be assigned detention or suspension for insubordination. Students who fail to use this opportunity as intended will be scheduled into six periods or a full schedule the next semester.
Honors Open:
Junior and Senior status students, who have a 3.0 or better GPA may apply for an open period during 2nd, 3rd, 4th, or 5th period.

Study Centers:
Students who have an open period, T.A., etc., need to be in a supervised location, commons, or library, behaving in a responsible manner. Those students who fail to meet these guidelines may receive disciplinary action.

Full Time Enrollment:
All students (9th through 12th) must be enrolled in a minimum of five classes for full time status.

Student Withdrawal Procedure:
1. Report to the counseling office with a written statement from your parents or guardian concerning the request to withdraw from school. If you are 18 years or older at the time you withdraw, and are emancipated, you may provide your own written statement. Included in the statement must be the following information:
   a. The date.
   b. Name and address of the next school you will attend.
2. Upon receiving the written statement, the Principal’s secretary will give you a copy of your fee card and send you to the Counseling Office to receive a schedule card and checkout slip.
3. The checkout slip must be taken to each of your teachers during the following times only:
   a. Before or after school or at lunch time
   It must be signed by each teacher and then returned to the Counseling Office.
4. Upon receiving the checkout slip, your fee refund or charge will be processed. This slip will be kept in the counseling office so that future requests for transcripts may be honored.

Academic Waiver Procedures:
The following procedures must be followed for the waiver of any course requirements:
• Must be initiated by letter from parent to principal.
• A conference with the parents and counselors may be arranged to review the student’s curricular pattern through completion of high school graduation. (At all times the curricular pattern will remain open-ended and flexible to change when and if necessary.)
• Upon receipt of the letter, the principal will review the proposal and approve or reject it.
• Regardless of the action taken, the parents and students will be notified in writing by the principal.

Credit Retrieval:
A written agreement will be signed by the student and teacher as to the extension of time granted for incomplete grades at semester. An appeal may be initiated by the student and a conference held with the teacher and counselor if additional time is needed.

Final Exams:
Final exams will be given at the end of each semester in all classes. Students must take the final exam/project in order to get credit for the class.

Arranged Study:
The following rules exist for arranged study assignments:
• Credit must be arranged in advance. The study must be approved by the principal and credit arranged in advance of the study’s start. One-half credit is allowed for 90 hours of class time for a study.
• Each teacher will be limited to five arranged study students each semester.
• The student must have been enrolled in a previous class from the teacher or have demonstrated the potential to handle a study.
• Each individual will be limited to two arranged studies per high school career.
• The student will be in class each day; any variation must be explained.
• The course must not be offered at EHS during the current school year.

Pass/Fail:
Elective classes may be taken for a pass/fail grade with teacher permission prior to 2nd/4th quarter. Required classes taken pass/fail must have the approval of both the teacher and the principal. No more than 1 class per semester may be taken pass/fail.

What do school counselors do?
The Ellensburg High School Counseling Department has three full-time certified counselors. Professional school counselors are an integral part of the Ellensburg High School educational team; which work to assist ALL students to be successful academically, vocationally and personally. Counselors work on behalf of students and their families to insure all school programs facilitate the educational process and offer the opportunity for school and personal success for each student.
Appointments
Students at Ellensburg High School are divided up and assigned a counselor by their last name. Students are asked to meet with their academic counselor for all schedule changes, but are welcome to visit with any counselor for any other personal issues (i.e. individual counseling). Walk-in visits are welcome, but to guarantee a specific time and limit student time out of class, we recommend students make appointments ahead of time. The counselors can be reached in the counseling office from 8:00 a.m. - 3:30 p.m., Monday - Friday.

Confidentiality
The information shared between a student and a school counselor is confidential. Confidential means that, except under specified circumstances, what you tell your counselor will not be shared with others. The exceptions or conditions under which your counselor may share information about you with someone else are:

• If you ask your counselor to tell someone.
• If your counselor believes that you are in some danger from others or that you present a danger to yourself.
• If a judge orders your counselor to tell others.
• If your counselor needs to consult with someone else to provide better service (with your permission).

What is the Career Center?
The Career Center is in the EHS Counseling Office. We have many valuable resources that will help you discover who you are, where you are going, and what you need to get you there. We have the capabilities to work with students in classes, one-on-one, or within a group. Parents are always welcome, too. Begin to plan your future by visiting the Career Center.

We expect the cafeteria to be a pleasant place to eat. Students must do their part to create a pleasant atmosphere. Students are expected to leave their tables and area around the tables clear.

11. **AFFECTIONATE BEHAVIOR:** Students are to refrain from acts of affection while on school property (holding hands is tolerable, but hugging and kissing is not acceptable behavior).

Unregistered vehicles, vehicles inappropriately or illegally parked, or vehicles creating a safety hazard will receive a parking violation notice and may be subject to impound/towing at owner’s expense. Once parked on school grounds, students may not take cars off the premises except at lunch or at the end of their scheduled day unless they have an off-premise slip issued by the attendance office. Under no circumstances are student vehicles to be driven or parked in the faculty parking lot or visitor parking lot. Students are responsible for maintaining cleanliness in the parking lot areas.

A search of a motor vehicle may be made based on reasonable suspicion when related to a possible school violation. Adjacent city streets are considered an extension of the school parking lot and campus and are therefore subject to the Search and Seizure Policy when related to a possible school violation as stated in this handbook.

NOTE: EHS Administrators reserve the right to bypass steps as necessary.

School Resource Officer:
A police officer is available to answer students' questions and to work with students in matters that may require law enforcement involvement. The officer is routinely involved with the safety and well being of all staff and students.

Closed/Open Campus Policy:
Ellensburg High School is a closed campus during class hours including assembly and special schedules. Students may leave campus without prior permission only during the lunch hour; i.e., once a
student arrives on school grounds, he/she may not leave without checking out except at lunch or at the end of his/her scheduled day. During the rest of the day, students may not leave campus without checking out through the attendance office. Failure to contact the office prior to the student’s departure will be treated as an unexcused absence and may receive detention and or suspension. Students with excessive attendance and/or disciplinary issues may have their open campus privilege revoked.

**Assemblies:**
All Ellensburg High School assemblies are considered part of the educational process and high school life. All assemblies are mandatory for students and teachers. They are not excusable by a parent. An absent from an assembly must meet excused absence criteria.

**Open Containers:**
Students who have open containers at school or at school-sponsored activities may have them checked, confiscated, or removed at the discretion of EHS staff.

**Lockers:**
Each student will be issued a locker. This locker is for your personal use. There will normally be three announced locker clean outs during the school year. The school officials reserve the right to inspect the contents of your locker when there are reasonable grounds to believe that it contains items contrary to school rules and detrimental to the conduct of the school, the educational process or the students’ and employees’ welfare. All student installed padlocks will be removed without student notification. Inappropriate writing will be removed by the student and materials confiscated by school personnel. Lockers are school property and any damage will be repaired at student expense. Those students who don’t plan on using a locker do not need to check a locker out. Locks are provided for all physical education students. The use of locks for security purposes is the responsibility of each student.

**Textbooks:**
Basic texts are loaned to students for their use during the school year. Some workbooks and other supplies are paid for by the student. Textbooks are to be kept clean and handled carefully. Please be sure your name and your grade are written on the book labels in case the books are misplaced. A fine will be imposed based on the teacher’s judgment of abuse, misuse, or lost books.

**Lost and Found:**
Students who find lost articles are asked to take them to the attendance office where they can be claimed by the owner.

**Visitors:**
The school policy is to accept only those visitors who have legitimate business to attend to at the school. All guests, parents and visitors must register and get a visitor identification in the office.

Students wishing to bring a guest to school must obtain approval 24 hours in advance from classroom teachers and the attendance office. In addition, the student is to secure a visitor’s pass from the main office. We discourage student visitations because of the disruption and limited space available in some classes. A student visitor must be an out-of-town guest and may only visit one day on campus.

**Phone:**
A phone for student use is located in the office area. You are welcome to use it to make necessary calls (parents, attendance, emergency, etc.) before/after school or during passing time. The phone will not be in service during class time unless it is an emergency discussed with the main office. Remember: You must dial “9” to get an outside line.

**Bus Regulations:**
All school rules and regulations apply on the bus and at the bus stop. Specific Ellensburg School District bus riding rules and bus discipline ladder may be obtained from the director of transportation at 925-8100.

**Nurse:**
A schedule of the nurse’s hours is in the office.

**Insurance:**
Insurance is available at a nominal cost and is optional. When a student is injured and is covered by the “school plan,” the student is to pick up a Claim Form from the Principal’s Office. This form must be completed by your parents, the doctor or hospital, and returned to the insurance company. The school merely acts as a medium in supplying insurance forms. It assumes no liability, either for the injury or the subsequent negotiations with the company.
Library:
The EHS Library is open from 7:30 a.m. to 4:00 p.m. Enrollment in EHS automatically gives you the privilege of checking out library materials.

1. A book may be checked out for one month and renewed, unless there is a reserve for another person on this book. Overdue books must be returned before other materials are checked out.
2. Most reference books may be checked out at the end of the school day for overnight use.
3. Back issues of magazines may be checked out for overnight use.
4. A charge is made for damaged or lost materials.
5. Noise is kept at a low level. Students are expected to work independently.
6. Grade reports will be held at the end of each quarter and semester for those students with overdue library books.
7. Computers and a copy machine are available for student use.
8. If you are enrolled in a class and request permission to come to the library during class you must have a hall pass from that teacher.

Technology Use:
Students have the opportunity to use the electronic information database. Use of the Internet is an educational opportunity that requires users to act responsibly, ethically, and in accordance with the following district guidelines:

- Students are allowed to access, transmit, and publish only educational material.
- Any use of the system must be in conformity to the state and federal law, K-20 network policies, and district policy.
- System components shall not be destroyed, modified, removed, or abused.
- Access to chatrooms, games, personal e-mails, and downloading is prohibited.
- Malicious use of the system to develop programs that harass other users or gain unauthorized access to any entity on the system, and/or damage the components of an entity on the network is prohibited.
- Users are responsible for the appropriateness and content of material they transmit or publish on the system. Hate mail, harassment, discriminatory remarks, or other anti-social behaviors are expressly prohibited.
- Use of the system to access, store or distribute obscene or pornographic material is prohibited.

Failure to abide by Ellensburg School Board Policy No. 2022 (accessible at ellensburg.schoolfusion.us) and the above mentioned guidelines may result in loss of privileges, suspensions, expulsion, and/or legal action.

Daily Bulletin:
All student announcements must be signed by a faculty member and approved by an administrator. Emergency or special announcements will be made over the public address system with administrative approval.

Emergency Procedures:
At all times, in case of an emergency ALL students and staff MUST follow procedures related to the safety concerns.

Inclement Weather:
When the weather is inclement prior to school opening, notification of cancellation or change of schedule will be broadcast on KQBE 103 FM and KXLE 95 FM as soon as possible. Please register on schoolreport.org to receive up-to-date school information.

Passes/Passing Periods/Tardy:
Students should have a pass signed by a faculty member when arriving past the allotted time or in the hallways during class periods (unless accompanied by a staff member).
ATTENDANCE - MUST BE PRESENT TO WIN

We believe regular class attendance is paramount to the educational process. Participation in class activities and interaction among students and teachers is vital to the learning process. Tests, homework, and assignments are only some of the criteria for earning credit.

All student absences may hinder mastery, achievement, and participation.

Involvement in school activities is a choice. It is the responsibility of the student to be aware of his/her choices and prepare to make accommodations with teachers to be successful in class.

Attendance Policy:
The following are the three types of absences recognized by Ellensburg High School:

1. **Excused Absence**—Work may be made up for full credit and faculty assistance will be available where needed.
   a. illness or a health condition
   b. medical and dental appointments
   c. death in immediate family
   d. other designated by principal
   e. suspension from school

2. **Prior Approval**—Work may be made up for full credit and faculty assistance will be available where needed but the absence must be prearranged. Prearranged absence forms available from the Attendance Office and must be signed by parent and teachers and returned to the Attendance Office prior to the absence.
   a. school approved activities
   b. other designated by principal

3. **Unexcused Absences**—The School District and staff are released of all responsibility to the student. No credit will be given for makeup work.
   a. Truancy — non-attendance in any portion of a class or more without prior permission of parent, guardian, or school personnel.
   b. Leaving school without checking through the Attendance Office, except at lunch time.
   c. Students that are in the building, but not in their assigned class, will be considered unexcused from class.

Clearing an Absence:
When you have an unexcused absence from class your name will appear on a Daily Attendance Report. When this occurs you must clear the absence within three days with the Attendance Office by parental phone call/note. This may be done before or after school, or during second period, and is the student’s responsibility.

1. **If you leave during the school day you must check out through the Attendance Office. Failure to do so may result in an unexcused absence regardless of reason (this absence may not be cleared by a parent).**

2. In the event that a student is absent, parents are encouraged to call the Attendance Office on each and every day of absence.

Attendance Reporting Procedures:
It is important that parents contact the EHS when their student is absent (925-8310). In the event that the student / parent does not abide by EHS policies regarding the reporting of absenteeism and truancy, an absence may be considered unexcused if it is not cleared within 3 days of its occurrence unless it is extenuating circumstances as determined by the Assistant Principal.

Tardies:
A tardy is defined as a student not in attendance at the beginning of an assigned class or activity. A student reporting after 5 minutes to class/activity will be considered absent.

Students must have a note from the office to enter any classroom late. Disciplinary action and parent notification will occur from the Assistant Principal’s office or the teacher. The teacher can require the student to perform detention in his/her classroom.

The Attendance Office will track all tardies. Consequences are as follows:

3 tardies = 1 hour of campus co-op
6 tardies = 2 hours of campus co-op
8 tardies = 2 hours of campus co-op plus parent conference
Compulsory Attendance Law:
The 1992 legislature enacted changes to RCW 28A.225 regarding student absenteeism. The provisions of the bill directly affect the way schools work with absentees and their families. It is critical that all administrators and staff be aware of the new requirements as the new school year begins. The bill requires each school to:

- Inform students and parents about the compulsory attendance law each year.
- Inform a juvenile’s parent/guardian in writing or by phone if the juvenile has one unexcused absence within any month during the school year.
- Schedule a conference with the parent/guardian and juvenile after two unexcused absences within any month during the current school year; if a regularly scheduled parent-teacher conference day is to take place within thirty days of the second unexcused absence, the district may schedule the conference on that day.
- Permits a school to take one of the following actions after five or more unexcused absences:

1. Attendance officer may petition the juvenile court to assume jurisdiction for the purpose of alleging a violation of the compulsory attendance law by the parent.
2. A petition alleging a violation of the compulsory attendance law by a child may be filed with the juvenile court by the child’s parent or the school attendance officer at the parent’s request.

This petition authorizes the court to order the child be punished by detention or alternatives to detention such as community service hours or participation in dropout prevention programs, or referral to a community truancy board if available.

Discipline for Unexcused Absences:
Unexcused absences will be handled in the following manner:

1. First Offense -
   - Conference with attendance office
   - Information recorded in student’s folder
   - Parents notified
   - At least two hours campus co-op, or suspension.

2. Second Offense -
   - Conference with attendance office
   - Information recorded in student’s folder
   - Parents notified
   - Four hours of campus co-op, Saturday school or in-school suspension.

3. Third Offense -
   - Conference with Assistant Principal
   - Information recorded in student’s folder
   - Parent/Vice principal conference held
   - May receive 2 days of Saturday School or suspension
   - Student Attendance Agreement

4. Fourth Offense -
   - Conference with Assistant Principal
   - Information recorded in student’s folder
   - Parent/Asst. Principal Conference held
   - May receive a three to five day in or out of school suspension

5. Fifth Offense -
   - Conference with the Assistant Principal
   - Information recorded on student’s folder
   - Parent/Asst. Principal conference held
   - BECCA Petition filed

6. Sixth Offense -
   - Conference with the Assistant Principal
   - Information recorded in the student’s folder
   - Parent/Asst. Principal conference held
   - May be recommended for suspension from school with full loss of credit for the semester expulsion, alternative placement, withdrawal.

Although absences are totalled by the semester for grade/credit, unexcused absences for discipline purposes will be totalled by the year for each student.

Student Conduct:

Any student who willfully violates or fails to follow district or individual school rules or regulations, or performs any act which materially interferes with or is detrimental to the orderly operation of a classroom or school, a school-sponsored activity, or any other aspect of the educational process in school, shall be subject to discipline, suspension, or expulsion. A student may be removed from a class, with loss of credit, based on continued misbehavior, proper documentation of incidences, and parent contact by the staff member. In the case of suspension, the nature and circumstances of the violation must reasonably warrant a suspension and the length of the suspension imposed. As a general rule, no student shall be suspended unless another form of corrective action or punishment reasonably calculated to modify his or her conduct has reasonably been imposed upon the student as a consequence of misconduct of the same nature. If, however, the violations of School District rules for student conduct constitutes “exceptional misconduct” as defined below, suspension may be imposed notwithstanding the fact the prior alternative corrective action or punishment has not been imposed upon the student involved.

Disciplinarians and hearing officers may grant exceptions to the suspension of students who are guilty of “exceptional misconduct” in cases involving extenuating and/or exceptional circumstances.

Under the authority of WAC 180-40-205, schools have the legal authority to impose exceptional misconduct discipline when a student substantially creates distractions that inhibits learning, disrupts the learning environment, welfare, and/or general safety of the school, its students, its staff, and/or the student himself or herself when on school ground and/or at school sponsored events.

Student Rights:

In addition to other rights established by law, each student served by or on behalf of a common school district shall possess the following substantive rights, and no school district shall limit these rights except for good and sufficient cause:

1. No student shall be unlawfully denied an equal educational opportunity or be unlawfully discriminated against because of national origin, race, religion, economic status, sex, pregnancy, marital status, previous arrest, previous incarceration, or a physical, mental, or sensory handicap.

2. All students possess the constitutional right to freedom of speech and press and the constitutional right to peaceably assemble and to petition the government and its representatives for a redress of grievance, subject to reasonable limitations upon the time, place, and manner of exercising such rights.

3. All students possess the constitutional right to be secure in their persons, papers, and effects, against unreasonable searches and seizure.

4. All students shall have the right to be free from unlawful interference in their pursuit of an education while in the custody of a common school district.

5. No student shall be deprived of the right to an equal educational opportunity in whole or in part by a school district without due process of law. The foregoing enumeration of rights shall not be construed to deny or disparage other rights set forth in the constitution and the laws of the State of Washington or the rights retained by the people.
DISCIPLINARY INFORMATION

School Rules and Discipline Policy:
One of the greatest challenges facing a school staff is the promoting of a wholesome and supportive learning atmosphere. An effective disciplinary policy promises an orderly and safe environment, as well as the ideal that the student is deterred from repeat offenses, and at the same time is encouraged to learn self-discipline. Essential to the accomplishment of this ideal is the recognition that adult intervention and modeling, staff and parents alike, is both desirable and necessary.

Student Discipline:
All students shall yield to the reasonable discipline of the superintendent or his designees, and refusal to comply with written policies, rules and regulations established for the governing of the schools shall constitute cause for further discipline and suspension; however, no student shall be disciplined, suspended or expelled except for sufficient cause.

For the purpose of the district's student disciplinary policies:

1. **Removal from Class:**
   - student reports to Assistant Principal's office
   - parent contacted by teacher

2. **Campus Co-op:**
   - is a program designed in lieu of detention/suspension from school.
   - students will work under the supervision of school custodians or appointee either before or after school.

3. **Detention:**
   - period of time assigned to a student by a staff member or administrator.
   - completed on the day and placed assigned
   - failure to report to detention on time with appropriate materials and proper behavior may result in suspension for insubordination

4. **Saturday School (S.S.):**
   - period of time assigned by administration
   - completed on the day and placed assigned
   - failure to complete first S.S. assigned with appropriate materials and behavior will result in student receiving 2 additional S. S.
   - failure to complete subsequent S. S. will result in suspension

5. **Suspension**
   - is the exclusion from school, individual classes, or school activities for a specific period of time after which the student has a right to return. Students are not allowed to attend classes or attend school functions until suspension is completed. There are two types of out of school suspension:
     a. **short term** suspension for a period of ten consecutive days or less
     b. **long term** suspension for a period of time that exceeds ten consecutive school days.

6. **Expulsion**
   - is the exclusion from school, individual classes, or school activities for an indefinite period.
   - received based on exceptional misconduct of student.

7. “Discipline” constitutes all other forms of correction or punishment, including campus coop, brief exclusions from a class for not more than the remainder of the class or activity period. Discipline shall not adversely affect specific academic grade, subject, or graduation requirements.

Ellensburg High School reserves the right to contact local and state authorities in the event that a pupil's behavior warrants such contact or is legally necessary. The superintendent shall also designate which certificated employees have the authority to initiate or to impose suspensions or expulsions.

Ellensburg High School students are expected to be responsible citizens. When a student repeatedly exhibits irresponsible and disruptive behaviors and does not respond to normal disciplinary procedures, the administration reserves the right to place that student on suspension or expulsion.

Ellensburg High School students who attend school sponsored activities after school hours off the EHS campus are subject to the same rules that apply during the school day or on the EHS campus (e.g., dances, field trips, and athletic contests, both home and away).

WORKS CITED GUIDELINES

Any time a book, journal article, or encyclopedia is used for any written material, complete bibliographic information is necessary. The following examples utilize the MLA style (Modern Language Association) as the guide to listing references. This list is meant as a guide and is a representative sampling of sources you may encounter in your research. Check the MLA Handbook for Writers of Research Papers if you have a question that this guide doesn’t answer. See the Librarian or your English teacher for a copy.

The Works Cited page must be placed on a separate piece of paper at the end of your work. It must list, in alphabetical order by first letter of the entry, all the sources you used in researching your paper. Begin each entry flush with the left margin; if entry runs more than a line long, the next lines should be indented five spaces, or the default TAB setting, or by paragraph formatting for a “hanging indent.” Do not number the entries. Do not underline or include URLs. Use double spacing for the entire list, both between and within entries.
