

MySmile personal benefits center

Put the power of information in your hands

Why use our MySmile® personal benefits center?

- > User-friendly design means it's simple to view on any mobile device or PC, anytime you need it
- > Easy-to-use, online collection of tools is loaded with personalized information

It stores information you need to understand your coverage and use your benefits to keep your smile healthy.

Sign up is easy and secure at DeltaDentalWA.com

Patient Features:

Print ID card: Or view ID card on your mobile device.

Monitor benefits usage: Our web widget shows you how much of your benefits have been applied and how much you have left to use.

Estimate out-of-pocket costs: This is a tool other dental benefits providers just don't have. Know the cost for treatments before a dental visit with **MySmile Cost Genie®**. It offers estimates from providers nationwide and tracks estimate history for easy reference.

Find a Dentist coast-to-coast: Access our entire database to find in-network dentists anywhere in the country.

Review benefits details: Detailed information in one view from the **My Dental Activity Dashboard**. See activity for all members on your plan, including:

- > Dental visits
- > Treatments
- > Costs and cost savings

Do more online: Update email, password, security options, and communication preferences. Plus, use simplified Contact Us, Glossary and Search functionality.
